# 1ST GRADE WEEKLY UPDATE

## Week One

It has been a great first week in first grade! The students are starting to get back into the rhythm of school, and we have been going over lots of routines and procedures. It was wonderful to attend Mass as a school community on Wednesday and to enjoy a good amount of time outside. The students have all shared how happy they are to see their friends and play together again!

Have a blessed Labor Day Weekend.

## Reminders

Please make sure to send a snack with your child each day.

Food service and bus transportation will begin on Tuesday, September 5th.

Please review this year's handbook with your child and continue to send handbook agreement forms back to school. Thanks!

## Notes from the Week

In this section, I will let you know what we worked on in our different subject areas. This week, we focused on expectations, routines, and procedures. Students were assessed on letters, words, and sight words. Next week, we will begin working in our reading, math, and religion curriculums.

## Upcoming Events
