1ST GRADE WEEKLY UPDATE

Week Ten

What an eventful and fun week! Almost every day had a dress up day or special event. First graders were invited to a fun Halloween Carnival in Ms. Barry's third grade classroom and dressed in orange and black on Tuesday. We had a wonderful All Saints Day Mass and party on Wednesday. The kids all looked so great as the saints, and it was nice to hear them tell about who they were! We prayed the Rosary with our fourth grade buddies on Thursday and learned about the saints they dressed up as. On Friday, we wore spirit wear and had a parent reader visit us at the end of the day.

All saints, pray for us!

Reminders

Please be sure to send October reading calendars back to school if you have not done so already. I will send the November calendar home on Monday afternoon.

This month, we will be learning and practicing the Our Father. Please pray this prayer with your son or daughter to help him/her to learn it.

Thank you!

Notes from the Week

Reading

We have been learning about the FLOSS Rule. When words end in a short vowel and a f, l, s, or z, the letter is typically doubled. Students also read the informational story *Animals Communicate* and discussed the main idea and details of the story.

Math

We have been working on writing subtraction equations using pictures and number bonds this week. Students have played math games to practice their basic facts.

Religion

This week, we focused on the saints and celebrated All Saints Day. The first graders were also able to pray the Rosary with their fourth grade buddies at the church.

Science/Social Studies

We are beginning to study the patterns of sunlight and phases of the moon and why they change throughout the month and year.

Upcoming Events

No Busing - Monday-Tuesday, November 6 and 7

Grandparent Mass - Wednesday, November 8, 8:45am
