# 1ST GRADE WEEKLY UPDATE

## Week Eleven

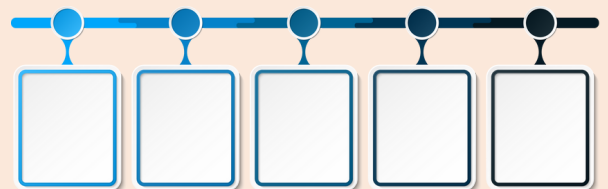

This week was a bit more normal after the craziness of Halloween and All Saints Day! Our Grandparent Mass was our special event of the week-- it was so nice to have many grandparents join us. Father made sure to let them know that they are welcome at our school Masses any time. The pictures included in this newsletter are of our math craft from this afternoon. The kids were excited to do a craft with math today!

Next week, we have our food drive. Donations will be collected during the morning drop off on Monday-Friday.

Sight Words Learned this Week:  
what, come

## Reminders

Our timeline projects are due on Thursday, November 16th. Please help your child to complete this important home project! This helps us with history and our study of the past. It is also neat for the students to see the things that have happened in their classmates' lives. Thank you!

## Notes from the Week

### Reading

We are reading words with consonant blends at the end (fast, bump, left, etc.). Students read a story about making and playing musical instruments. We discussed the beginning, middle, and end of our story.

### Math

We have been working on solving real world subtraction problems by writing equations. Students are learning about the relationships between addition and subtraction by writing fact families. (Like  $4+3=7$ ,  $3+4=7$ ,  $7-4=3$ ,  $7-3=4$ )

### Religion

This week, we began our chapter on being made in God's image. Students learned that we have a soul that helps us to think, choose right from wrong, and love. We also learned about our virtue (humility) and saint of the month (St. John the Baptist).

### Science/Social Studies

We are studying the patterns of sunlight in science. In social studies, students learned about history, what happened in the past, and primary sources.

## Upcoming Events

Food Drive - November 13-17

All School Mass - Wednesday, November 15, 8:45am

First Grade Timeline Project Due -Thursday, November 16

All School Mass - Tuesday, November 21, 8:45am

No School for Thanksgiving - November 22-24

Second Trimester Begins - Monday, November 27
