# 1ST GRADE WEEKLY UPDATE

## Weeks Twelve and Thirteen

We had a good last full week before Thanksgiving. The students were able to vote for who they would like to slime next week from meeting our Give Day goal. They are looking forward to sliming Mr. Rickbeil on Tuesday! Students enjoyed sharing their timelines with the class and with their fourth grade buddies. They did a nice job of sharing their pictures and what was happening at each point in their lives. Reading with buddies and having a parent reader visit us were also highlights. We look forward to our two days together next week to celebrate all we are thankful for before Thanksgiving break.

Sight Words Learned this Week:  
some, new, any, many

## Reminders

There is no school on Wednesday-Friday November 22, 23, and 24. We will still have All School Mass on Tuesday, November 21 at 8:45am.

Thank you for all of the donations to our fall food drive. We appreciate your generosity!

## Notes from the Week

### Reading

We are reading words with consonant blends at the beginning and end (blast, plump, crest, etc.). Students read a biography about Dr. Seuss and took a virtual field trip of the Dr. Seuss Memorial Sculpture Garden in Springfield, Massachusetts.

### Math

We have been practicing addition and subtraction this week through writing fact families, working with word problems, and solving math facts.

### Religion

We continued to learn about being made in God's image and likeness. This means that we can love God and others, and we should treat other people with kindness and respect.

### Science/Social Studies

We observed the sun at three different times of the day to see how it "moves" across the sky throughout the day. Students shared their timelines about their lives. It was great to see their pictures and hear what they had to share!

## Upcoming Events

Turkey BINGO - Sunday, November 19, 4:00pm

All School Mass - Tuesday, November 21, 8:45am

No School for Thanksgiving - November 22-24
