1ST GRADE WEEKLY UPDATE

Week Two

I hope you all had a safe and enjoyable Labor Day Weekend! It sure made for a quick week at school, but it was so nice to have the cooler temperatures for our time together at school.

The students are starting to get back into the swing of school and all of the procedures and expectations that go along with it. Breakfast in the mornings has been going well for those who have had it, and the students did a nice job during our fire drill this morning. It has been a pleasure to work with them so far this year!

Reminders

Please make sure to send a snack with your child each day.

Oktoberfest is this Sunday from 12:00-3:00, following the 11:00 Mass. We hope to see you there!

Please review this year's handbook with your child and continue to send handbook agreement forms back to school. Thanks!

Notes from the Week

Reading

We are currently reviewing letter sounds, sight words, handwriting formation, and basic reading words that students learned in kindergarten. We will begin using our first grade reader next week for reading comprehension, vocabulary, and grammar.

Math

We are working on numbers and counting in math. Students have practiced writing numbers to 100, showing numbers in multiple ways, and working with a partner by playing math games. Next week, we will jump into using our math workbooks.

Religion

Students began learning about our virtue (hope) and saint of the month (St. Joseph). They colored a Sleeping St. Joseph to take home and share with you. Prayer intentions can be placed under St. Joseph for him to pray for. We also began talking about the Trinity and God's love for us that we share with others.

Upcoming Events

- Oktoberfest - Sunday, September 10, 12:00-3:00pm
- Curriculum Night (K-5) - Tuesday, September 12, 6:30pm
- School Mass - Wednesday, September 13, 8:45am
- Picture Retakes - Monday, September 18
