1ST GRADE WEEKLY UPDATE

Week Twenty-Nine

We had a nice last week before break! Donuts with Dad and celebrating the Solemnity of St. Joseph on Tuesday was a big highlight. On Thursday, we met with our fourth grade buddies.

The fourth graders put together slide shows about Holy Week and the Triduum to share with the first graders. They did a great job of teaching them about these important days. On Friday, the students enjoyed having some snow to play in again at recess, and we attended the Shadow Stations of the Cross that was put on by middle school students.

I hope you have a safe and relaxing spring break and a wonderful Holy Week and Easter!

I hope you have a safe and relaxing spring break and a wonderful Holy Week and Easter!

Sight Words Learned this Week:
give, live, shove

Reminders

We have no school next week (March 25-29) for spring break.

We will be collecting donations for the Handmaids on Tuesday, April 2 when we get back. Totals will be tallied by that Friday.

Notes from the Week

Reading

This week, students were reading and writing two-syllable words with long vowels and silent e. We read a fable about a little rabbit who thought the sky was falling. Students learned that it is important to make sure things are true before running to tell others.

Math

We worked on making and interpreting pictographs and bar graphs this week. Students continued to work on math facts to 20. Addition and subtraction facts are great to work on at home too!

Religion

We celebrated our feast day, the Solemnity of St. Joseph, on Tuesday. We have a wonderful patron saint, and it was a blessing to celebrate together! Students learned about what happened on Good Friday, and we discussed how Jesus is “the Lamb of God.”

Science/Social Studies

We read and learned about map skills this week. We talked about the cardinal directions, map legends, and maps vs. globes. Students identified Minnesota on the map of the United States.

Upcoming Events

Spring Break - March 25-29

No School, Easter Monday - Monday, April 1

School Mass - Wednesday, April 3, 8:45am

Spirit Day - Friday, April 5
