# 1ST GRADE WEEKLY UPDATE

## Week Four

It was a busy week! We started Catechesis of the Good Shepherd on Monday, had our first MAP test on Wednesday, visited the relic of St. Jude the Apostle on Thursday at church, and participated in bus safety on Friday. Our picture this week shows our first first grade birthday of the school year. It was fun to celebrate together!

Next week, students take their math MAP assessment on Monday. Please be sure that your child gets a good night's sleep and a filling breakfast. I will also begin listening to students pray The Glory Be to see how well they know of this important prayer.

## Reminders

Please make sure to send a snack with your child each day.

Please send reading calendars back to school each week on Friday for me to see how reading practice is going at home. Thank you!

## Notes from the Week

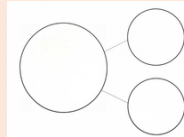

### Reading

We are currently reviewing letter sounds, sight words, handwriting formation, and basic reading words that students learned in kindergarten. We read the story *The Storm* this week in our Journeys books and talked about different types of storms.

Students learned that possessive nouns show ownership.

### Math

We are working on number bonds in math, which is a way to show addition and subtraction relationships with numbers. They show two parts that make a whole.

### Religion

We reviewed the Holy Trinity this week and began talking about God the Father's love for us. The students were able to venerate the relic of St. Jude the Apostle at church on Thursday. This was a great experience for them!

## Upcoming Events

1st Grade MAP Math Test - Monday, September 25

School Mass - Wednesday, September 27, 8:45am

Mother/Son Parish and School Event - Saturday, September 30

No Bus Transportation - Monday, October 2
